

**Instructions:** Complete as many fields as necessary to properly describe the application. Those marked by \*\* are required fields.

<b>Customer Information</b>	
**1	Contact
**2	Company
3	Address
**4	Phone, Fax, Email
5	Date
6	Project Reference
7	Quotation or Order
<b>Process Conditions</b>	
**8	Liquids
9	Temperature (Min, Max)
**10	Pressure (Min, Max)
11	Build-up Concerns?
12	Foam?
13	Agitation?
<b>Tank Information</b>	
**14	TPZ Quantity
15	<b>Tank/Vessel:</b> Orientation (Horizontal, Vertical)
**16	Type (Above, Below Ground)
17	Material of Construction (Steel, FRP, etc)
**18	Volume, Height, Diameter
19	Bottom (Flat, Coned)
**20	<b>Process Connection:</b> Type (Flange, NPT)
21	Dimensions (Height, Diameter)
22	Location relative to tank wall and thief hatch
23	Titan supplied clamping block required
**24	Obstructions in the tank (ladder, piping, etc)
**25	Insulation
<b>Output &amp; Power</b>	
**26	<b>Display/Controller:</b> Location
27	Type (3300, Omron, 2300)
28	Output signal(s) (4-20 mA, Relay, Pulse, SV Bus)
29	Signals going to?
30	Power source (12 VDC, 24 VDC, 120 VAC, etc)
<b>Installation Details</b>	
31	<b>Site:</b> Name, Location
32	Contact Name
33	Contact phone, fax, email, etc.
34	Installation Company
**35	Installation Date
36	Installation Condition (new, used, inservice)
**37	Quotation Required by [date]?
38	Internal Use (DCM, OS, IS)
